Principal's Newsletter

Good Afternoon,

The weather this week sure had a summer feel to it. As we look forward the forecast looks to be more fall like. We have a lot of sweatshirts and jackets already in lost and found, if your child is missing anything have them take a look in the lost and found bin they may just find something that belongs to them.

As our nation deals with many illnesses and outbreaks I would like to remind our school community how important proper hand washing techniques are and the proper way to cover your cough. We will continue to model, teach, and practice these in our classrooms. As a reminder please keep your child home until they are 24 hours fever free. We are currently seeing cases of a stomach virus and head colds in our school. I have attached an informational article from the CDC about the Enterovirus D68 as we head into the cold/Flu season.

Dates to Remember:

October 31st: Trunk and Treat at JFES- parking lot
